CLASS POLICIES

Absences/Make Ups: Therabeat, Inc. does not offer compensation, refunds or discounts for missed classes. However, if there is another **age-appropriate** class available for your child to attend, you may schedule a makeup class if your child cannot attend your regularly scheduled class. Please call 770-345-2804 to schedule a makeup class. Twenty-four hour notice is requested. To ensure a quality experience for everyone, we limit the number of families making up or previewing to two per class.

Class Cancellations: Classes will be made up in the event of teacher illness or inclement weather. We will follow the Cherokee County School System decision on school closings, unless we contact you otherwise. Any cancelled classes will be made up by the end of the semester. Please watch the news and our Therabeat, Inc. Facebook page for weather-related cancellations. In the event of teacher absence or illness, a substitute teacher may teach your class or you may get a call postponing the class. In the case of postponing the class, you will resume classes the following week, and a makeup class will be scheduled.

Non-Enrolled Younger Siblings: Non-mobile infant siblings are allowed to attend classes with older siblings if they remain quiet and are kept restrained in an infant sling/Baby Bjorn. In order to ensure the best possible learning environment for each family, mobile siblings may not attend classes. Siblings of all ages are welcome to attend the last 15 minutes of Young Maestros class. Please do not allow siblings to be disruptive during sharing time.

Non-Enrolled Older Siblings: We realize that sometimes older siblings may be out of school during our class times. To ensure the safety of the younger children, and to maintain a consistent class experience for our enrolled families, we ask that older siblings bring a quiet activity to work on independently. Siblings of all ages are welcome to attend Gathering Time and the last 15 minutes of Young Maestros with the parent. Please do not allow siblings to be disruptive during sharing time.
